Venturing Skills
to teach the
Cub Scouts their
Achievements
and Electives.**

By Carol E. Little

VENTURING® BSA

I have tried to overlap the Venturing Skills with the Achievements for the Cub and Webelos Scouts. I have listed the requirements for:

Venturing Bronze Arts/Hobbies

Bronze Sports

Bronze Outdoor

Bronze Religious

Bronze Sea Scout

Gold Award

Silver Award

Quest Award

Ranger Award

Quartermaster Award

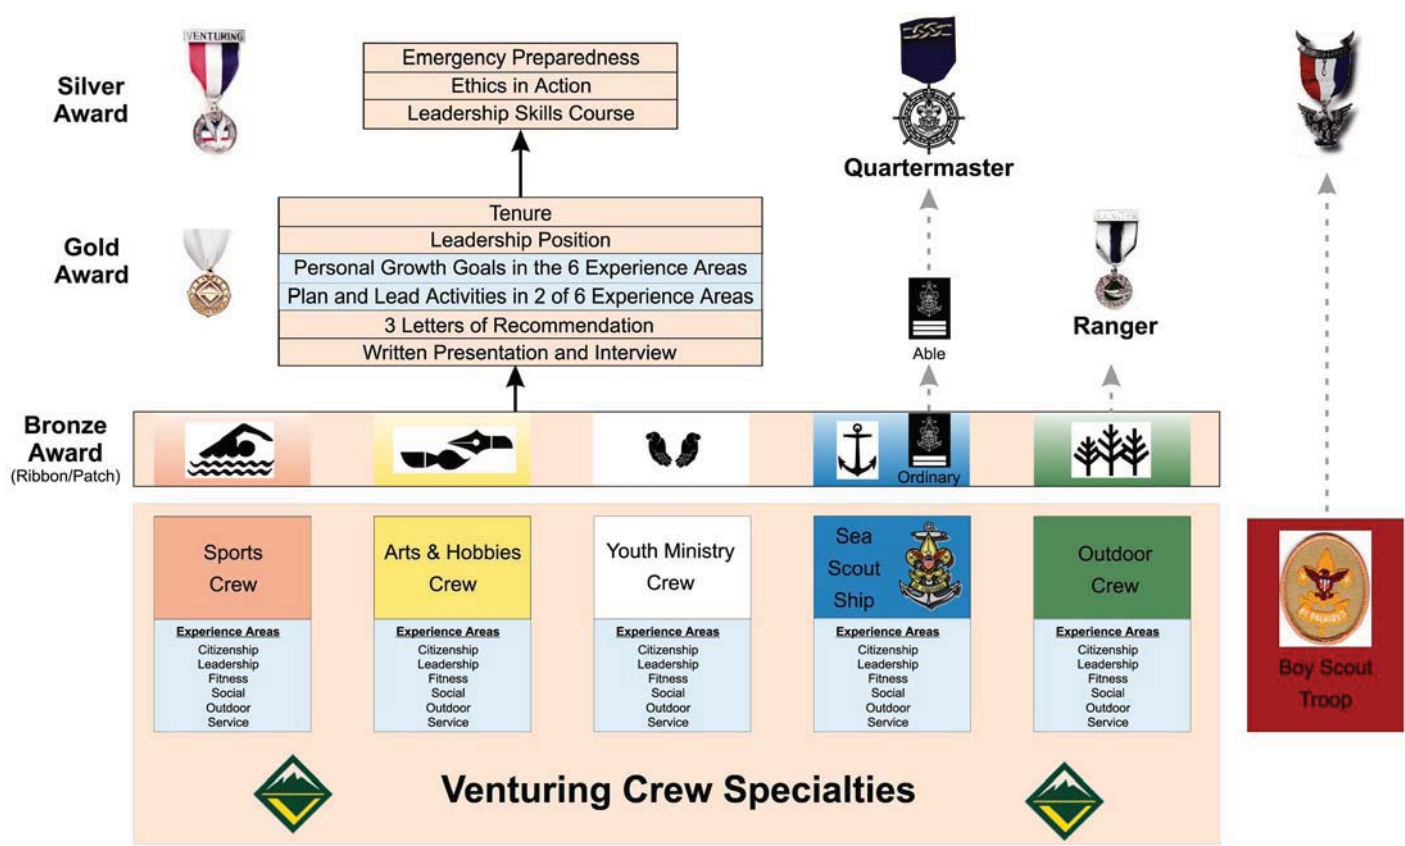

At the bottom of each are listed what the Cub Scouts and Webelos could match up with for Achievements and Electives. Since many Venturing crew members may not be familiar with the Cub and Webelos ranks I have included a list of what is needed for each Achievement and Elective.

I hope Venturing crews members will learn about the younger scout's achievements and electives and be able to teach both:
the Cub Scout leader, Webelos Scout leaders and the younger scouts valuable skills they need to learn and master for rank advancement, as well as at the same time allow the Venturing crews new opportunities to teach their mastered skills while earning their advancement in the experience.

Cub Scout Monthly Themes for 2008-2009

SEPTEMBER 2008 - NEW BUDDIES

Wonderful opportunities are waiting! The new school year brings possibilities of new friends. This month a Cub Scout can invite a new buddy to join the fun and adventure of Cub Scouting! This single act can influence the lives of many others. The boys will make new friends while keeping the old by learning to share and treat buddies with kindness. In the den meeting the boys can learn the value of friendship, cooperation, and respect through games and activities. This new team of buddies can develop secret codes and write messages to each other. They will all learn the Cub Scout handshake and motto which will signify belonging to that special group. The boys can practice the buddy system as they go on hikes, work on projects, play games, and participate in sports. This is a great month for boys to earn a Cub Scout Academics or Sports belt loop or pin as they work and play together with an interest they all share.

OCTOBER 2008 - ADVENTURES IN BOOKS

What great adventures come in books? Let's discover some this month. Visit the library and learn to navigate your way through the "card catalog computer," down the aisles of many adventures, and to an adventure of your own choice. Sign up for your library card while on your visit. Create your own outdoor epic adventure on a hike, campout, or maybe at a ball field or park. Make a costume for one of the characters from your favorite story. At the pack meeting the boys can perform some of their favorite stories and share some of their adventures with the pack. Take part in Pedro's "Say Yes to Reading" program in Boy's Life. This might also be a good month to work on the Communication or Computer belt loop and pin. Encourage the boys to have the courage to search for, discover, and share adventure this month.

NOVEMBER 2008 - SEEDS OF KINDNESS

As we approach Thanksgiving, let us spread seeds of kindness in the form of multiple small service projects. Helping others gives the boys the opportunity to see the bounty produced by spreading many small seeds of kindness and encourages compassion. The boys can discover that just as the large strong oak tree came from the small acorn, big things can happen from spreading small seeds of kindness and charity. Conduct a food drive or collect coats and gloves for those in need; report your hours to Good Turn for America. Work on the Citizenship belt loop and pin.

DECEMBER 2008 - HOLIDAY LIGHTS

The Star of Bethlehem, the Miracle of the Lamp, the Morning Star that enlightened Buddha, the bonfires of Yule: many of our holiday traditions this month involve lights. Share your holiday traditions with your pack and den: lights on a Christmas tree, candles on a Menorah for Chanukah, or on a Kinara for Kwanzaa. Boys can be stars this month by brightening someone's holiday season with a gift of compassion. As a pack or den, visit a nursing home, preschool, or children's ward and sing holiday favorites. End your outing by sharing cookies that the boys decorated. Help those less fortunate with a service project or toy drive. How about a holiday campfire at your pack meeting? This is great month to work on the Language and Culture belt loop and pin or the Heritages belt loop and pin.

JANUARY 2009 - "A-MAZE-ing" GAMES

January is a good time for indoor fun. Make and solve puzzles. Stump your friends with riddles. Build a maze, do crossword puzzles, and word searches. Have a pack

games night in which your family joins in for relays, board games, and other cooperative games. Play Cub Scout Jeopardy; how much do you know about Cub Scouting? Rediscover some of the games that your parents and your grandparents could have played and work on the Heritages belt loop and pin. Discuss why playing by the rules is important. The pinewood derby is a good opportunity to learn about rules and good sportsmanship. Why not work on the Chess belt loop and pin.

FEBRUARY 2009 - AMERICAN ABC'S

Take a personalized tour of the USA by the letters: Austin, Baton Rouge and Cambridge to Xenia, York and Zion. Our country contains an endless variety of scenic and historic places. What is special about these places? This month we'll find out by visiting historic places, theme parks, museums, and zoos. Choose a city or an historical site to highlight. Invite a guest speaker who can share something special about the places your Cub Scouts have picked to discover. Use maps or collect tourist brochures to learn more about places to visit. Your local historical society or public library is a great place to get started. Celebrate your blue and gold banquet with local foods from your choices of the ABCs and decorate to highlight your choice. This would be a good month to work on the Citizenship belt loop or pin or the Geography belt loop or pin.

MARCH 2009 - WHEN I GROW UP

Explore career possibilities of the 21st century this month. Host a pack career fair, inviting several adults to share what they do for a living and how these career opportunities might change as you grow up and technology advances. Discover how having a positive attitude is essential in reaching career goals. Den meeting plans could include field trips to learn about different occupations of interest to the boys and playing games centered on different jobs. This would be a good month to work on any of the Cub Scout Academics and Sports belt loops and pins - let the boys vote on the one that fits best with what they want to be when they grow up. For those future astronauts this month is a perfect time for a space derby!

APRIL 2009 - JURASSIC PACK

Explore the land before time! Imagine living in a time when dinosaurs roamed the Earth. What have paleontologists learned about the great beasts that roamed the Earth millions of years ago? Did any dinosaurs live where you do now? Find out what they ate, where they lived, and how they moved. What could we learn of these creatures that lived so long ago? Make a model of a dinosaur or visit a museum where dinosaur fossils can be seen. Make your own "dinosaur footprints" or "fossils" in plaster. Take a "dinosaur" scavenger hike by going on a hike and looking for things that might have been found during the Jurassic era. This would be a great time to work on the Geology belt loop and pin.

MAY 2009 - LEAVE NOTHING BUT FOOTPRINTS

Warm weather is a perfect time for outdoor adventure, complete with den hikes in the neighborhood, park, or on local trails. As we enjoy our outdoor world, we should strive to take nothing but pictures and leave nothing but footprints. Learn about Leave No Trace frontcountry guidelines and ways we can minimize our impact on the environment. Take a backyard hike and practice the Leave No Trace frontcountry guidelines. Have a contest to see who can take the best wildlife photograph. Earn the Cub Scout Leave No Trace Awareness Award. Do your Good Turn and leave these areas cleaner than you found them. Remember to record your service with Good Turn for America. The end of the month has all dens moving up

the Cub Scout trail. You might want to consider working on the Wildlife Conservation belt loop and pin this month.

JUNE 2009 - A CAMPING WE WILL GO

This month Cub Scouts go camping! Have a backyard campout with your family. Pitch a tent or sleep out under the stars! Conduct a pack campout at a nearby Scout camp, state park, or even the local museum. An outdoor pack meeting might include a nature observation hunt, followed by an evening around the "campfire". Attend your council's Cub Scout or Webelos Scout resident camp as a den or pack or the council's family camp with your whole family. Camping doesn't always mean overnight; day camp is always lots of fun. Get those boys outdoors and let them discover the fun of camping while working on their Cub Scout Outdoor Activity Award. Whatever you do, do it outside and find out what the outing in Scouting is all about. While out on the trail, you can work on the Map and Compass belt loop and pin or the Astronomy belt loop and pin.

JULY 2009 - BE A SPORT

Not only is it important to do your best when you try new sports but it is important to understand the rules of being a "good sport" no matter how the game goes. Play ball, soccer, tennis, or any sport! Learn about a sport that you've never played before. Have a sports competition with another Cub Scout pack in your area. Have athletes from a local high school or college speak at your den or pack meeting. Ask them to teach you about their sport. Learn a sport you can play with your family: golf, tennis, bowling, swimming, or skating. Have a pack sports day. Cub Scouts can create an obstacle course for the pack to enjoy while earning the belt loop and pin for Physical Fitness or any of the many Cub Scout Sports subjects.

AUGUST 2009 - FUN IN THE SUN

Let's go outside and have fun in the sun. Plan some outdoor activities this month that will encourage dens to meet and make preparations together for your pack event. It's a great time for a pack picnic, with each den planning a game or activity. Have a Cubanapolis derby with dens preparing their vehicle and practicing maneuvers during den meetings. Stress good sportsmanship and team building during the planning stages, as well as during the actual event. Create kites in your dens and have a kite flying derby or a family picnic to show off your creations! This might be a great month to work on the Cub Scout Outdoor Activity Award or a Cub Scout Sports belt loop or pin.

Cub Scout Monthly Themes for 2009-2010

SEPTEMBER 2009 - CUB SCOUT POCKETS - *Character Connection: Compassion*

What can possibly be in a Cub Scout's pocket? What is in a boy's pocket can tell a lot about who he is and what he likes. The boys can share and show off their collections and maybe even start a new one! Put some marbles in the boy's pockets and teach him how to play the game of marbles. Pick an interest of the boys and go on a field trip to explore and learn about it. Maybe a trip to a rock quarry in search of fossils, or a nature hike around the den meeting site to pick up items. This is also a great month to educate the boys on what can go on their uniform and then make some goals to accomplish their rank advancement, special awards, belt loops and pins, and involvement in camps and council events. This might be a good month to work on the Collecting or Marbles belt loop and pin.

OCTOBER 2009 - JUNGLE SAFARI - *Character Connection: Resourcefulness*

Help boys discover fun and adventure in the wilds of Scouting. Take them on a month-long safari. Learn why Africa is special to our founder Lord Baden-Powell. Find out how the Jungle Book story connects to Scouting. Use it and its characters to highlight den meeting games, crafts, and costumes for the pack meeting. Learn about the things you need if you are going on a safari and how would you survive. What do Scouts in Africa do? What are their uniforms like? Take a den trip to a local zoo, animal rescue facility, or wildlife refuge. Work on the Cub Scout Outdoor Activity Award or the Wildlife Conservation Academic belt loop and pin.

NOVEMBER 2009 - CUB SCOUT SALUTE - *Character Connection: Respect*

This month Cub Scouts salute those heroes who help keep us safe and secure each and every day. Can only adults be heroes? Heroes are often ordinary kids who did something out of the ordinary! A den can decide what makes a hero and who the heroes of tomorrow might be by looking at people they know today. Learn about heroes in your own community, as well as Scouting heroes who have earned BSA heroism awards. Have your Cub Scouts invite their hometown heroes to a den or pack meeting. Perhaps your den can become "silent heroes" by performing service for others without seeking any recognition. Visit a fire station, veteran's hospital (Veterans Day is this month), police station, or teacher's classroom and learn about their heroic deeds and reciprocate with a "Scout salute" for their contributions. You might work on the Citizenship belt loop and pin.

DECEMBER 2009 - WORKS OF ART - *Character Connection: Faith*

December is a time of celebration and giving. This is a perfect month for involving friends in doing good deeds and creating holiday magic through art. Cub Scouts use their artistic abilities to create holiday decorations, gifts, or cards. This artwork might be put on display in nursing homes, in churches, schools, or homes, and at the pack meeting or at a meeting of the chartered organization. Boys can make cards and ornaments and share them with residents of a local nursing or retirement home, children's hospital, or community center and do a "Good Turn for America." Boys can discover different forms of art, write poems, attend a musical or performing art show, or visit a local art museum. Works of art can become gifts for family members. The Academic belt loop or pin in Art or Music could be worked on in conjunction with these projects.

JANUARY 2010 - POWER UP! - *Character Connection: Responsibility*

Boys explore the science of energy through solar, electrical, and wind power and how this energy is used in their everyday lives. They can explore different ways to conserve energy and protect the world we live in. Work on the Science or Weather belt loop and pin. Boys can invite friends to join in the pinewood derby and discover the power behind those little cars. What types of things are powered up by the flip of a switch? A field trip to the local water works or power plant might be part of the den's monthly plan. Finish up the month with a real power-packed pack meeting. The boys can power up by being physically fit and working on the Physical Fitness belt loop and pin.

FEBRUARY 2010 - HAPPY BIRTHDAY, B.S.A. - *Character Connection: Honesty*

It's time to celebrate with a big birthday bash. Boy Scouts of America is 100 years old this year. Learn the history of how Scouting came to the United States. Find out about those who have given us this great Scouting legacy such as Daniel Carter Beard, James E. West, Ernest Thompson Seton, Waite Phillips, and W. D. Boyce.

Let's play birthday games, make party decorations, and have birthday cake for our blue and gold banquet.

MARCH 2010 - TAKE FLIGHT - *Character Connection: Courage*

The Wright brothers had a lot of courage to accomplish their dream to fly. Air has power to push and pull objects so that they can fly. This month learn all about air, what it consists of, and why it is needed to fly. Learn about gravity. Make your own flying machines as you hear about the Wright Brothers and their invention. Explore different types of paper airplanes. Figure out which ones fly farther, higher, faster, longer, and why? Hold a pack-wide paper plane derby fun night! How many things can you name that can fly? Study birds and their flyways. Why do some fly in a V formation? Take flight outdoors with a den or pack kite derby this month and enjoy that air! Take a field trip to the airport, hobby shop, or a science museum. Earn the Science belt loop and pin.

APRIL 2010 - SPRING INTO ACTION - *Character Connection: Positive Attitude*

This month is a good time to spring into action with outdoor activities such as hikes, sports and games, cleaning up litter along ponds, parks or roadsides, or planting some trees for improved habitat. Make plaster casts of the animal tracks you find on your hike. Visit and talk with someone who works with wildlife conservation and visit a fish hatchery, zoo, animal shelter, or wildlife sanctuary. Bring along food and supplies that they might need as part of your "Good Turn for America." Build bird houses, bird baths, feeding stations, or boxes for nesting materials. Do a community service project with your chartered organization to show your positive attitude in doing your best. This would be a good month to work on the Conservation belt loop and pin.

MAY 2010 - IN THE SPOTLIGHT - *Character Connection: Cooperation*

It's time to perform and be in the spotlight! This month spend some time making musical instruments to be used in the pack meeting variety show. The variety show could be skits, songs, puppet shows, magic trick - you name it. Have the boys and their parents and families participate in a variety show and have some adults record the show. Dens can create posters announcing the show and make programs to let everyone know what's coming. Commercials could be videotaped by the den during their den meetings and then be shown between acts. (Get the parents involved) Take a photo for the local newspaper or a video clip for the local TV station for recognition of their achievements and put Cub Scouting in the spotlight. Visit a television, radio, or cable station to see how they prepare and produce their shows. Attend a play or musical production. The Cub Scouts can earn the Music belt loop and pin.

JUNE 2010 - HOOP-DE-DOO! - *Character Connection: Health and Fitness*

This is a good time to learn and play the game of basketball while you learn about sportsmanship. Have a member of the high school basketball team (preferably a Boy Scout) teach the boys the rules of basketball; then play a game in the pack with older boys and younger boys balancing each team. Play other games such as ring toss, hoop games, soap bubble contests, and hoop obstacle course. Start working on the National Summertime Pack Award or Cub Scout Outdoor Activity Award. The boys will be able to earn the Basketball belt loop and pin or another Sports belt loop and pin of their choice, including the Physical Fitness belt loop and pin.

JULY 2010 - CELEBRATE FREEDOM - *Character Connection: Citizenship*

Celebrate America's freedom established on July 4, 1776, with patriotic songs, games, and family fun. Discover what makes America so special to us. Decide on a

birthday present your pack can give to America by doing a service project and a "Good Turn for America." Participate as a den or pack in an Independence Day parade. Enjoy the beauty of our country by participating in outdoor activities. Have a pack barbeque or family gathering and share some family heritage about coming to our great nation. Design and serve a birthday cake and sing to America! Earn the Citizenship and Heritage belt loops and pins.

AUGUST 2010 - WAVES OF FUN - *Character Connection: Perseverance*

Jump in and make a BIG splash with fun activities that explore water and waves. There is an adventure waiting in one of Earth's final frontiers, the depths of the ocean floors. Creatures never imagined before can be found there. What kinds of animals do live there? What does the ocean floor look like? The den could discover what makes a boat float, learn about different sea vessels, and even make their own boats. The pack can celebrate this month with a beach party (no beach required) and family picnic as they enjoy the great outdoors. Top it off with a raingutter regatta. Complete the requirements for earning the National Summertime Pack Award. This is a fun month to bring a friend! This is a wonderful opportunity to teach water safety and practice the buddy system while having fun and earning the Swimming belt loop and pin.

Cub Scout Monthly Themes for 2009-2010

SEPTEMBER 2010 - CUB SCOUT INVESTIGATORS - *Character Connection: Resourcefulness*

What happened to the cookies in the cookie jar? Let's find out. Learn techniques that the police use to solve crimes. Use microscopes, dust for fingerprints, and learn observation techniques. Visit your local police department and find out how to contact them in an emergency. Show your respect for law enforcement by thanking them for what they do. This would also be a great month to use your investigative skills to find friends to join Cub Scouts.

OCTOBER 2010 - UNDER THE BIG TOP - *Character Connection: Cooperation*

"Ladies and Gentlemen," welcome to the Cub Scout Circus. It will be a month of entertainment. Dens will practice stunts, skits, songs, run-ons, and cheers as part of their advancement and just for fun. They can share their talents at the monthly pack meeting, with the Cubmaster serving as ringmaster. The focus will be the magic of the circus with a center ring set up for performances. Be sure to have lots of balloons, peanuts, and popcorn for the audience, as well as spotlights on all dens as they perform.

NOVEMBER 2010 - CUB SCOUTS SPREAD THE NEWS - *Character Connection: Citizenship*

Cub Scouts spread the news about the fun that they are having in Cub Scouts. They learn many different ways to communicate. Plan a field trip to the local radio station, television station or newspaper office. Dens can publish articles and pictures in a den or pack newsletter or make their own commercial about a service project to be shown at the pack meeting, or on a local cable or school access channel. They can email a friend to join Cub Scouts. This would be a good month to work on Good Turn for America as well as the Communication belt loop and pin.

DECEMBER 2010 - WINTER WONDERLAND - *Character Connection: Positive Attitude*

The excitement of the holiday season brings magic to the eyes of Cub Scouts as they prepare decorations, make gifts, and sing songs of the season. Den or pack activities may include a Good Turn field trip to bring some holiday magic to the lives of others. Northern Cub Scouts will enjoy winter games in the snow. Southern Cub Scouts might play games with paper snowballs or take to the beach for a Klondike derby in the sand. This might be a good month to work on the Ice Skating or Snow Ski and Board Sports belt loop and pin.

JANUARY 2011 - ROAD WORK AHEAD - *Character Connection: Perseverance*

What does it take to build our roads and bridges? Who builds our roads and what materials and equipment are used? Find out this month as you put on your construction hats and dig in! Arrange to tour road building equipment. Have a construction company foreman/owner come visit at your pack meeting. What vehicles travel the Cub Scout roads? Why not have a pinewood derby this month and find out?

FEBRUARY 2011 - TURN BACK THE CLOCK - *Character Connection: Honesty*

"Turn Back the Clock" and see what the world was like in the past. Learn about an era of your choice with songs, games, and transportation from the time that you choose. Whether it is the Space Age, the Wild West, rock-n-roll, or the Ice Age, each time period had something special about it. Construct a pack "time machine" to help introduce the den's era skits or demonstrations at the blue and gold banquet. Whatever you choose, find the "best" in your time period and share it with others. The boys can work on the Heritages belt loop and pin this month.

MARCH 2011 - FORCES OF NATURE - *Character Connection: Faith*

Behold the awesome forces of nature. Discover how wind, rain, fires, floods, earthquakes, tornadoes, hurricanes, avalanches, and glaciers can alter and shape the earth. Cub Scouts learn now to prepare themselves and their families to meet the challenges associated with these forces. Each Cub Scout can work on preparing an emergency kit to keep in his home or car. Explore a different force of nature at each den meeting, creating models of these natural powers or their results. This is a good month to work on the Emergency Preparedness BSA Award and the Weather belt loop and pin.

APRIL 2011 - SCOUTING THE LAND DOWN UNDER - *Character Connection:*

Respect

Scouting is alive and thriving in Australia. Let's learn about the earth's smallest continent, its animals, and its Scouting program. What kind of games do the boys play? What is a Joey? What kind of outdoor activities do they do in the Australian Scout program? Learn about Australian art work and ancient musical instruments. Come on mate and have a g'day. This would be a great month to work on the Language and Cultures belt loop and pin.

MAY 2011 - ACORNS TO OAKS - *Character Connection: Responsibility*

Nature provides a miraculous wonder in the life cycle. This month the boys can discover how plants grow from seeds. They can build and grow a terrarium or plant a garden. Here is the opportunity to assist nature by building birdhouses, bat nurseries, or squirrel feeders. This theme also can be used to assist the leaders in helping the boys learn about their own growth and health. They can make goals using a food pyramid. This would be a good month to work on the Physical Fitness belt loop and pin. All these things will help them grow strong and healthy much like a sturdy oak tree.

JUNE 2011 - CUBS IN ACTION - *Character Connection: Health & Fitness*

This is a great month for outdoor or indoor activities with focus on ACTION. Hikes, games, or relay races using Scout skills would all be good activities. The boys can learn and grow through sports, practicing good sportsmanship and team building. This might be a good time to work on the Cub Scout Outdoor Activity Award and any of the team Sports belt loops and pins.

JULY 2011 - SPLISH SPLASH - *Character Connection: Courage*

What could be better than a water carnival complete with games, skits, and a fishing derby? Create a water adventure trail with plenty of opportunity for boys to get wet. Stations could include a sponge toss, sprinklers, water slides, and raingutter regatta. Or plan a pack outing to a local swimming pool or beach. Be sure to teach the Cub Scouts the buddy system before you go and use Safe Swim Defense and Safety Afloat. Cub Scouts could work on their Swimming and Fishing belt loops and pins. The pack could also work toward the National Summertime Pack Award.

AUGUST 2011 - ON THE WILD SIDE - *Character Connection: Compassion*

Imagine being shipwrecked on an island of wild adventure! What kinds of wild animals and fauna might they encounter? Go on a hike and learn about the wild side that might be in your own backyard. And if that isn't enough, help the boys release some of their "wild side" fun with exciting games and creative projects. This is one month you'll enjoy the wild side. This will be a great time to invite a friend to come and join in the Scouting adventure!

TIGER RANK

To earn the Tiger rank a Cub Scout **must complete 15 parts of the 5 Achievements** that are offered in the book. Note that these activities are in three parts: A Family Activity, a Den activity, and a Go See It Outing. After the Tiger Cub learns the Cub Scout Motto, the Cub Scout sign, and the Cub Scout Salute he earns his Tiger Cub Belt Totem. As the Tiger Cub finishes achievements he earns a totem beads. There are **White beads** for the Family activities, **Orange beads** for the Den activities, and **Black beads** for the Go See It activities for a **total of 15 beads** (5 of each color). The totem has 4 lanyard strands for the three colored beads and the last strand is for the Tiger Tracks (yellow circle beads bought separately). **For every 10 electives he completes** the Tiger is awarded **1 Tiger Track bead**. These can be worked on at the same time as the Achievements **but the Tiger can't receive the Tiger Track beads until he earns his Tiger Cub Badge**. The adult partner approves the completion of the requirements and the book is then shown to the Den Leader who records the progress and also signs the boy's book.

The Purposes of Cub Scouting and Character Connections.

- | | |
|--------------------------------|-----------------------|
| 1. Character Development | 1. Citizenship |
| 2. Spiritual Growth | 2. Compassion |
| 3. Good Citizenship | 3. Cooperation |
| 4. Sportsmanship and fitness | 4. Courage |
| 5. Family Understanding | 5. Faith |
| 6. Respectful Relationships | 6. Health and Fitness |
| 7. Personal Achievement | 7. Honesty |
| 8. Friendly Service | 8. Perseverance |
| 9. Fun and Adventure | 9. Positive Attitude |
| 10. Preparation for Boy Scouts | 10. Resourcefulness |
| | 11. Respect |
| | 12. Responsibility |

Character development is an important part of the Scouting program and it involves three major areas: Thinking (the head), feeling (the heart), and behavior (the hand). Cub Scouting emphasizes the relationships of the head, the heart and the hand to 12 core values and calls them **CHARACTER CONNECTIONS**.

These 12 core values are important throughout Tiger Cubs and during the Tiger Cub year six values will be worked on: **Honesty (Page 30)**

Responsibility (Page 38)

Citizenship (Page 49)

Health and Fitness (Page 58)

Respect (Page 65)

Faith (Page 73)

As you work on achievements, ask your Tiger Cub to consider the following:

What do I think or know? (What do I know about the core value, about the experience, about the context?)

How do I feel? (How do I feel about this value? What makes this difficult to do? How did this experience make me feel?)

What can I do? (How can I practice this value at school, at home, or with my friends?)

TIGER ACHIEVEMENTS 15 total achievement groups/5 achievements = 5 White, 5 Orange, and 5 Black Beads for Tiger Belt Totem. Also, Yellow Tiger Tracks can be awarded after receiving the Tiger Cub Badge.

Character development is an important part of the Scouting program and it involves three major areas: Thinking (the head), feeling (the heart), and behavior (the hand). Cub Scouting emphasizes the relationships of the head, the heart and the hand to 12 core values and calls them **CHARACTER CONNECTIONS**.

These 12 core values are important throughout Wolf Cubs and during the Wolf Cub year six values will be worked on:

Positive Attitude (Page 70)

Respect (Page 74)

Responsibility (Page 82)

Cooperation (Page 88)

Faith (Page 94)

Courage (Page 100)

As you work on achievements, ask your Wolf Cub to consider the following:

What do I think or know? (What do I know about the core value, about the experience, about the context?)

How do I feel? (How do I feel about this value? What makes this difficult to do? How did this experience make me feel?)

What can I do? (How can I practice this value at school, at home, or with my friends?)

The Purposes of Cub Scouting and Character Connections.

1. Character Development

1. Citizenship

| | 12. Responsibility |

Character development is an important part of the Scouting program and it involves three major areas: Thinking (the head), feeling (the heart), and behavior (the hand). Cub Scouting emphasizes the relationships of the head, the heart and the hand to 12 core values and calls them **CHARACTER CONNECTIONS**.

These 12 core values are important throughout Bear Cubs and during the Bear Cub year [seven values](#) will be worked on:

Resourcefulness (Page 156)

Citizenship (Page 34)

Honesty (Page 140)

Respect (Page 72)

Faith (Page 26)

Compassion (Page 174)

Courage (Page 96)

As you work on achievements, ask your Bear Cub to consider the following:

What do I think or know? (What do I know about the core value, about the experience, about the context?)

How do I feel? (How do I feel about this value? What makes this difficult to do? How did this experience make me feel?)

What can I do? (How can I practice this value at school, at home, or with my friends?)

The Purposes of Cub Scouting and Character Connections.

1. Character Development
1. Citizenship

- | | |
|--------------------------------|-----------------------|
| 2. Spiritual Growth | 2. Compassion |
| 3. Good Citizenship | 3. Cooperation |
| 4. Sportsmanship and fitness | 4. Courage |
| 5. Family Understanding | 5. Faith |
| 6. Respectful Relationships | 6. Health and Fitness |
| 7. Personal Achievement | 7. Honesty |
| 8. Friendly Service | 8. Perseverance |

| 10. Preparation for Boy Scouts | 10. Resourcefulness |
| | 11. Respect |
| | 12. Responsibility |

Character development is an important part of the Scouting program and it involves three major areas: Thinking (the head), feeling (the heart), and behavior (the hand). Cub Scouting emphasizes the relationships of the head, the heart and the hand to 12 core values and calls them **CHARACTER CONNECTIONS**.

These 12 core values are important throughout Webelos and during the Wolf Cub year nine values will be worked on:

- Faith (Page 50-51)**
- Honesty (Page 42-46)**
- Perseverance (Page 124)**
- Citizenship (Page 144)**
- Health and Fitness (Page 246)**
- Responsibility (Page 300)**
- Respect (Page 318)**
- Courage (Page 366)**
- Positive Attitude (Page 392)**

As you work on achievements, ask your Webelos to consider the following:

What do I think or know? (What do I know about the core value, about the experience, about the context?)

How do I feel? (How do I feel about this value? What makes this difficult to do? How did this experience make me feel?)

What can I do? (How can I practice this value at school, at home, or with my friends?)
